

Pride 2003 showed what can happen when people come together with all the rules and a very good plan. The theme was "viva la difference" and Bethel decided to knock out all negative images and stereotyping. We all wore rainbow color t-shirts with what we wanted to see "knocked out", like bigotry, ignorance, intolerance, racism, violence, hate, etc. The back of the shirts said, "BETHEL proves LOVE wins." We WON the best float trophy and have it displayed in the church today.
